Float & Thermostatic Repair & Face Plate Kits

For Other Manufacturers' Float & Thermostatic Traps

Tunstall Associates, Inc. produces a full line of Float & Thermostatic repair kits with all stainless steel mechanisms and the stainless steel Tunstall Capsule® air vent.

Tunstall Associates, Inc. is currently working on manufacturing repair kits for F&T traps made by all manufacturers. If you are looking for a manufacturer, or trap not listed please contact us at 800-423-5578.
